

LEGISLATIVE AGENDA ACTION ITEM #1

# MAINTAIN FUNDING FOR HIGHER EDUCATION.

LAST NOVEMBER, MOST OF YOU CAST YOUR VOTES FOR LEGISLATORS WHO PLEDGED THEIR COMMITMENT TO FUNDING HIGHER EDUCATION— AND IT IS IMPORTANT THAT WE CONTINUE TO REMIND THEM OF THEIR PROMISE.

Article 9 of the Washington state constitution makes it abundantly clear that every single one of our children is entitled to an education. And today we know that some post-secondary education is necessary for Washington students to succeed in life. Yet higher education is becoming increasingly out of reach for our high school graduates due to years of disinvestment and now, soaring tuitions.

It's time to reverse this abysmal trend, and ensure every Washington student has the opportunity and preparation to pursue post-secondary education. Remind your legislators to deliver on the commitment they made to fund higher education — *for the Greater good.*
